IRB Sevens World Cup 2009!

The Rugby Sevens World Cup will be held in Dubai from 5-7 March 2009.

It will be the first Rugby World Cup to have both a men's and women's competition. 24 men's teams and 16 women's teams will compete.

More than 500 million TV viewers are expected to watch and around 120,000 people are expected at the actual games for the 3 days!

Southern Sun Hotels, Dubai, would like to offer media partners attending the tournament the special rate of AED990.00/night at The Al Manzil Hotel, which is located in the Old Town, Burj Dubai, just across the road from the world's tallest building.

Besides enjoying the warm hospitality and the comfort of our accommodation, you will also have the opportunity to confer with fellow fans and patrons at the Nezzasaussi Bar each evening, after the days events.

We look forward to welcoming to Dubai and, in particular to The Al Manzil Hotel.
